

Wildlife Removal and Exclusion Services

Periodically all of us experience some form of risk and exposure to unwanted wildlife inside or around the exterior of our residence. Each situation is unique and requires a thorough on-site evaluation to determine the most beneficial and humane solution.

We offer complete - all inclusive services for a number of different mammals such as raccoons, groundhogs, Squirrels, skunks and opossums:

- Live trapping.
- Catchpole seizure.
- Removal.
- Exclusion work to seal off entry points.
- Insecticide treatments to eliminate associated insects.
- Disinfectant and Sanitizing.
